ABOUT US

People Squared is a boutique, full-service Human Resources collaborator, committed to not only optimising people-powered outcomes, but actively contributing to the big picture commercial success of your business. In synergy with our signature seven-point framework, we partner with organisations to unlock their true potential, by recognising, connecting with, and harnessing the promise of personnel.

Our approach is both human-centric and strategically focused, allowing us to authentically offer clarity, confidence and compliance throughout your HR journey. So, whether you're working in, on, or out of the business, you can be sure that our expert, flexible and solution-driven services are designed and delivered to enable your full focus to remain exactly where it's most valuable, every step of the way.

BENEFITS OF OURSOURCED HR

OUTSOURCED HR SERVICES

We partner with you to offer leaders and their employees, access to exactly the right collection of tools, advice, processes and training, when and where they need them.

This includes dedicated support in areas such as recruitment and onboarding, leadership, cost optimisation, employee retention, grievances, and digital systems.

Our services are broken down into 3 core areas:

COMPLIANCE COLLABORATOR

As your Compliance Collaborator, we help your business in meeting its obligations under Australian workplace law and act as a shield against risks, mitigating potential shortfalls that may arise from the absence of an internal HR team. This includes:

- Industrial relations advice
- Tailored HR documents and templates
- Fair Work advocacy and support
- Employee termination and redundancy support
- and onsite HR support and coaching

HR ADMINISTRATOR

As your HR Administrator, we support your day-to-day HR functions and processes through administrative support including:

- HR process and policy standardisation
- Recruitment and onboarding support
- Performance management support
- Exit and termination procedures

WORKPLACE PARTNER

As your workplace partner, we support and guide your business by assisting you to align and integrate your HR Framework with your People Management practices.

This includes:

- Leadership support
- Building performance frameworks
- Team building
- Employee engagement and enablement

We offer pragmatic HR support and advice, not just tick the box solutions.

At People Squared, we're energised by a future where businesses of all scopes and scales feel compelled to lean into the boundless potential of their greatest asset: their people.

In this future, we see a world where all organisations, from eager start-ups to established operators, SMEs to superstars, operate at the peak of their capabilities because of, not in spite of, an intrinsically human heartbeat. Our vision is one of partnership, where we stand shoulder-to-shoulder with our clients, as we work together to navigate the ever-evolving landscape of HR.

We understand that, like people, each and every business is unique, so we're committed to providing agile, forward-thinking and accessible solutions that empower them to thrive. We embrace change, safe in the knowledge that when clarity is introduced to the intersection of culture, capability and compliance, investing in the attraction, retention and integration of talent is a crucial contributor to organisational performance and the purpose that underpins it.

Our outsourced HR solutions offer a range of benefits, providing expertise and support that may otherwise be challenging or costly to maintain in-house. By leveraging our specialised knowledge, your business can access strategic guidance tailored to its unique needs, ensuring alignment with business objectives. This cost-effective solution will allow your business to streamline its HR functions, from compliance management and talent acquisition to training and employee relations, freeing up internal resources to focus on core business activities.
